

## Rugby Borough Sports Club Directory

This sports club directory has been produced to raise awareness of the sports clubs and facilities in the borough of Rugby. Every effort has been made to contact and include clubs based in the Rugby area. Information supplied in the sports club directory is correct at the time of publishing. We are aware that information changes, therefore we will make every effort to update any changes on our website [www.rugby.gov.uk](http://www.rugby.gov.uk). If you represent one of the clubs included in this directory and your contact details change, you can complete an online form by visiting the website.

Sports clubs are listed in order of sport and include contact details for anyone interested in finding out further information.

### Clubmark Clubs

Clubmark is the Sport England cross-sport quality accreditation for clubs with junior sections. It recognises clubs who provide a safe, effective and child-friendly environment. Clubs are required to provide evidence of minimum operating standards and are provided with a resource pack to use during their accreditation process. This resource pack has set criteria for the club to work towards, based around the following four areas:

- The playing or participation programme
- Duty of care and child protection
- Sports equity and ethics
- Club management

Once a club is successful they are recognised nationally as a 'quality' club. Clubs in Rugby that have achieved Clubmark (or the NGB equivalent) are indicated by:

Accreditation Clubmark

First Aid Qualification

Junior Section

Child Protection Policy

Activities for disabled participants
